

Adding IAPMOlearn.org or IAPMOtraining.org to your web browser's trusted sites.

Add a site automatically:

1. From the **sign in** page, click the words **Is My Browser Supported**

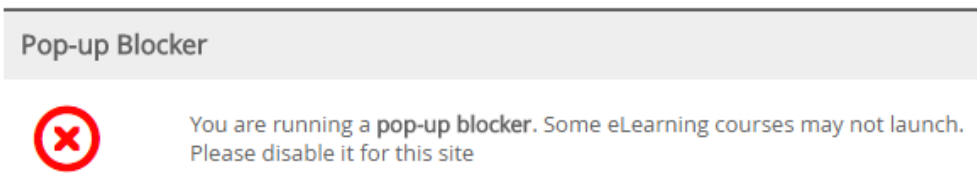

The screenshot shows a 'SIGN IN' form with the following elements:

- Username field with placeholder text 'Username'
- Password field with placeholder text 'Password' and a visibility toggle icon (an eye)
- A green 'Sign in' button
- A link for 'Forgot your password?'
- A link for 'Don't Have an Account?' next to a green 'Register Now' button
- A link for 'Is My Browser Supported?' at the bottom left

A red arrow points from the top right towards the 'Is My Browser Supported?' link.

2. If pop-ups are blocked on your browser, you will see the message below in a pop-up window:

3. After adding our site as a trusted site, you need to refresh or close the browser before the new settings take effect.
4. Open browser and check if it supported

*Please note if you are using a work computer you may need to request our site be added by your Information Technology Department.

Adding IAPMOlearn.org or IAPMOtraining.org to your web browser's trusted sites.
